We Come To You.

Representatives from both Investments Hardware Ltd. and Husqvarna are ready and willing to visit your jobsite. Husqvarna Construction Products makes sure that their prospective customers are well informed and confident before purchasing any of their blades or equipment. They will demonstrate as well as answer any questions relating to your company's needs. If you decide Husqvarna Construction Products are right for your company, safety certification training and mechanical maintenance are services included with your purchase. Go ahead, call Investments Hardware Ltd. at 416-748-0204 to arrange an appointment.
